As a proven leader in pay-per-action marketing, we've always understood the challenges of finding and generating leads. After over a decade in the business, we at LinkShare are constantly looking for the latest technology to enhance our platform. LinkShare now introduces Pay-Per-Call, which allows Publishers to leverage even more opportunities on our growing global network.

With our new Pay-Per-Call technology, our platform now covers offline as well as online lead generation. We can successfully ensure that high-quality leads generated online, yet purchased over the phone, are tracked from start to finish. With Pay-Per-Call, LinkShare Affiliate marketing can now make use of high-ticket, consultative-type products that until now have been difficult to manage. The ability to offer a greater variety of goods and services, all while tracking referrals with greater precision, benefits our publishers.

Being a well-known and trusted online marketing channel, we are excited to help you grow your affiliate marketing program. With Pay-Per-Call, it's easy to take advantage of all the opportunities technology has given us while utilizing the unparalleled LinkShare network.

A MARKETING SOLUTION THAT DELIVERS RESULTS: LinkShare Introduces Pay-Per-Call

HOW PAY-PER-CALL TECHNOLOGY DELIVERS RESULTS FOR PUBLISHERS

Further monetize your campaigns and placements with Pay-Per-Call. You can use mobile media and offline placements to drive your customers to advertisers while ensuring you'll receive credit for the leads you generate. It enables you to access a greater variety of offers, products, and services for promotion.

How LinkShare Pay-Per-Call Works

Pay-Per-Call is the latest tool in performance-based marketing. It improves the capabilities of your affiliate marketing program by tracking calls just like you already track clicks. Pay-Per-Call makes use of both online and offline media, giving a campaign more presence and leverage. It makes it easy to use SMS promotions for mobile markets. Pay-Per-Call is also completely transparent for all campaigns.

Pay-Per-Call enables Advertisers to create campaigns that connect customers to their business by phone. It enables Publishers to promote a vaster array of offers through the use of unique, trackable toll-free numbers, ensuring they're paid for all of the leads they generate.
